Minimum Number of Hours Required for this Degree: 126

Substantial Writing Component: Two courses (one must be upper division) are required. Courses are identified in the Course Schedule with a W after the title.

UD: Upper Division

Many GEO courses are offered in fall or spring only.

- ¹ PHY 301/101L and 316/116L may be taken instead.
- ² Requirement # 13 lists approved courses for this degree plan in catalog.
- ³ This requirement can be satisfied with any U.S. HIS course that fulfills the legislative requirement; these courses are identified in the Course Schedule and can be lower- or upper-division courses.
- ⁴ Courses in ARC, classics, fine arts, or philosophy (excluding logic).
- ⁵ Includes 3 hours of ECO, upper-division ANT, or upper-division GRG.
- ⁶ Both GEO 660A and 660B are recommended. GEO 376L may substitute for either. GEO 679J, Internship in Hydrology, may be taken in lieu of GEO 660A/B for students with a 3.0 overall GPA and a 3.0 GEO GPA.

When the number of credit hours per semester varies, the smaller number is used in the total.

The courses listed above will meet degree requirements for this degree; however, there may be other courses that fulfill the requirements. Check with your academic advisor.
